Fremantle

Certificate II in General Education for Adults (CGEA) Fremantle

This is a transition program for post-compulsory aged 16-20 year olds who lack the entry requirements or require additional support before commencing vocational programs. It will be conducted at the Fremantle (Beaconsfield) campus on Mondays, Tuesdays and Wednesdays, involving studies in reading, writing, maths, computing, career choices, project work and visual arts. Cert II CGEA meets the entry requirements into most TAFE apprenticeship programs, certificate courses as well as entry into armed forces and police force.

Location: Fremantle campus

Cockburn

Certificate I Gaining Access to Training and Education – Cockburn Youth Services

The GATE program at the Cockburn Youth Centre is designed to create a supportive, holistic learning environment for young people who have disengaged from education. The young people will explore communication skills and self-expression through music, art and computers as well as career pathway planning to assist them transitioning into further education and training or employment. GATE meets the entry requirements into most TAFE apprenticeship programs and certificate courses. The Cockburn Youth Centre venue provides a number of youth-friendly services for young people attending the GATE program including full time youth workers and access to Headspace.

Location: Cockburn Youth Services – Cockburn Central

Certificate I/II Certificate in General Education for Adults (CGEA) - YOUTH

**Career Ready**
This course is for students who are compulsory school aged (15 - 18) but not currently engaged in education, training or full time work. This course aims at engaging students and providing them with the skills they will need in further training and employment. The program focuses on reading and writing, maths, basic computing and teamwork. Students enrolled at the Certificate I level can progress through to Certificate II in the following semester. The Certificate II CGEA meets the entry requirements into most TAFE apprenticeship programs and certificate courses as well as entry into the armed forces and police force.

**Location:** Rockingham campus

**Young Parenting And Very Excited - YPAVE**
YPAVE is a group of programs aimed at young parents and young pregnant women (14-24 years old). The pregnancy group provides information on all aspects of pregnancy and early infancy. Young Mums groups in Rockingham focus on discovering the various issues and resources that can help new parents. Our Young Parents program is based in Rockingham and is focused on parenting toddlers up to 4 year olds. We have a student advisor who is available to help with further education, training and employment when required.

**(YARP) YOUTH ACCESS RE-ENGAGEMENT PROGRAM**
This program is part time for young people who are not accessing education, training and employment. YARP utilizes an outreach approach to provide individualised programs, which will allow young people to consider further education and training or explore employment options. It provides 1:1 learning approach and delivers accredited units from the Intro Cert 1 General Education for Adults (CGEA) delivered in community settings.
